

Setup Email on Android/iPhone using the Microsoft Outlook App

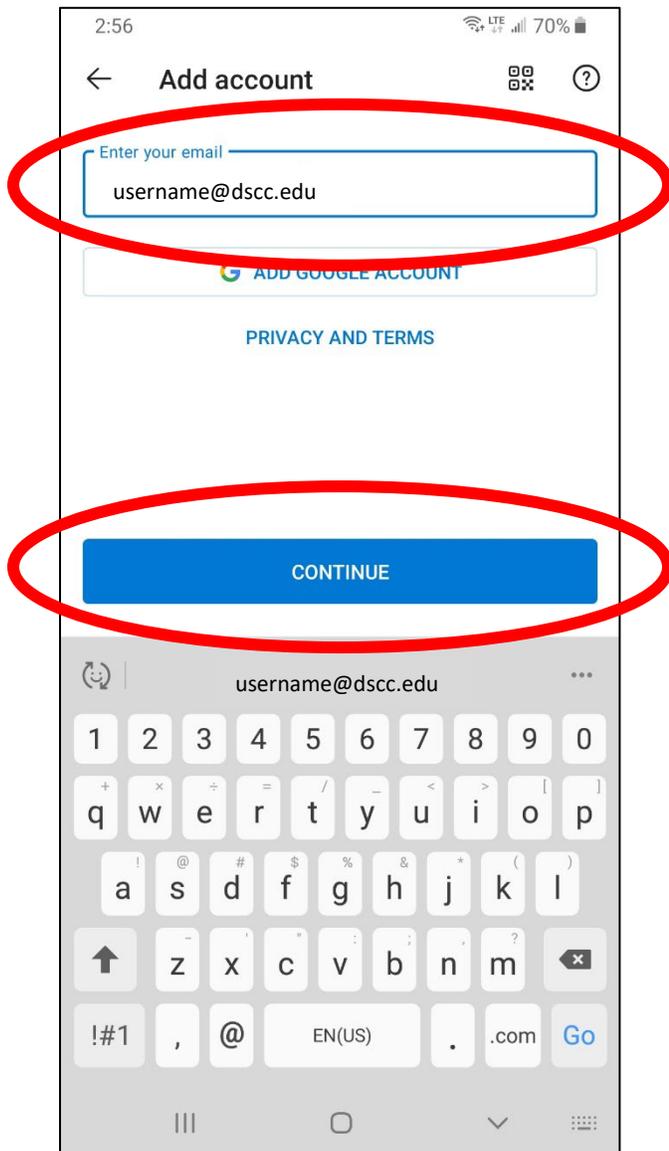

1. If not already installed, please download the **Microsoft Outlook mobile app** by doing one of the following:
 - a. Go to https://w2.outlook.com/l/mobile?WT.mc_id=Outlook_Homepage_V2, enter your phone number and have a link sent to your mobile device.
 - b. Scan the QR code to get re-directed to the appropriate download store.
 - c. From your device go directly to the appropriate store; Appstore for Apple and Play Store for Android.
2. Install and open the **Microsoft Outlook mobile app**.

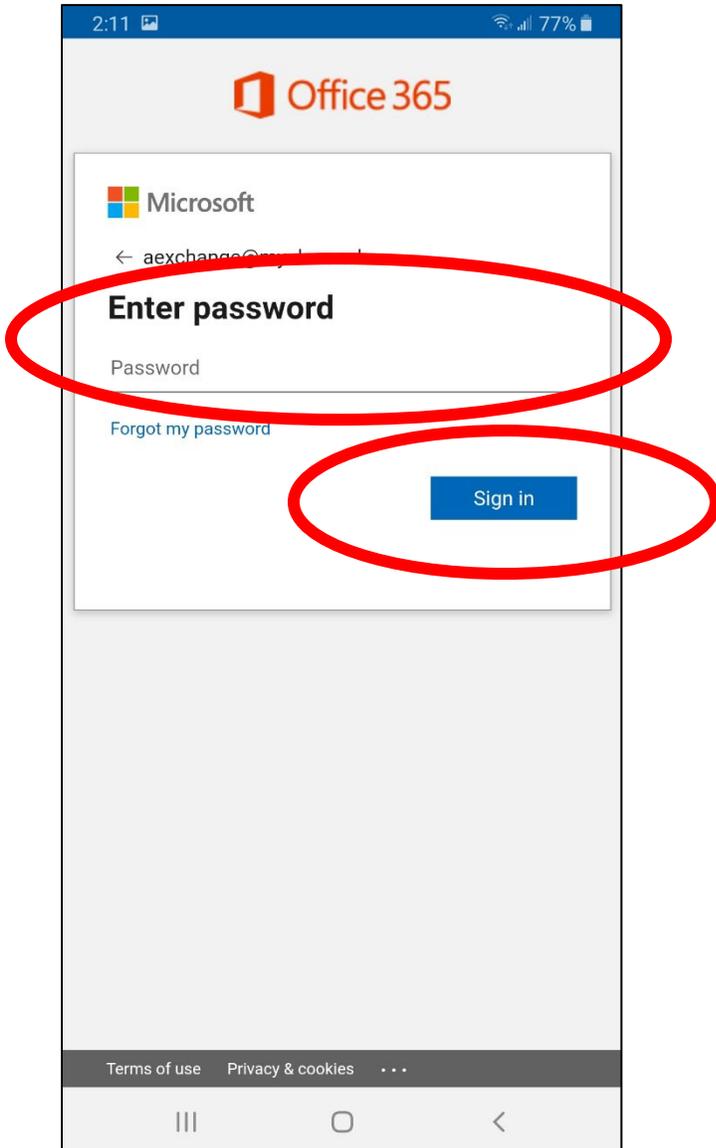

3. Choose **ADD ACCOUNT**.

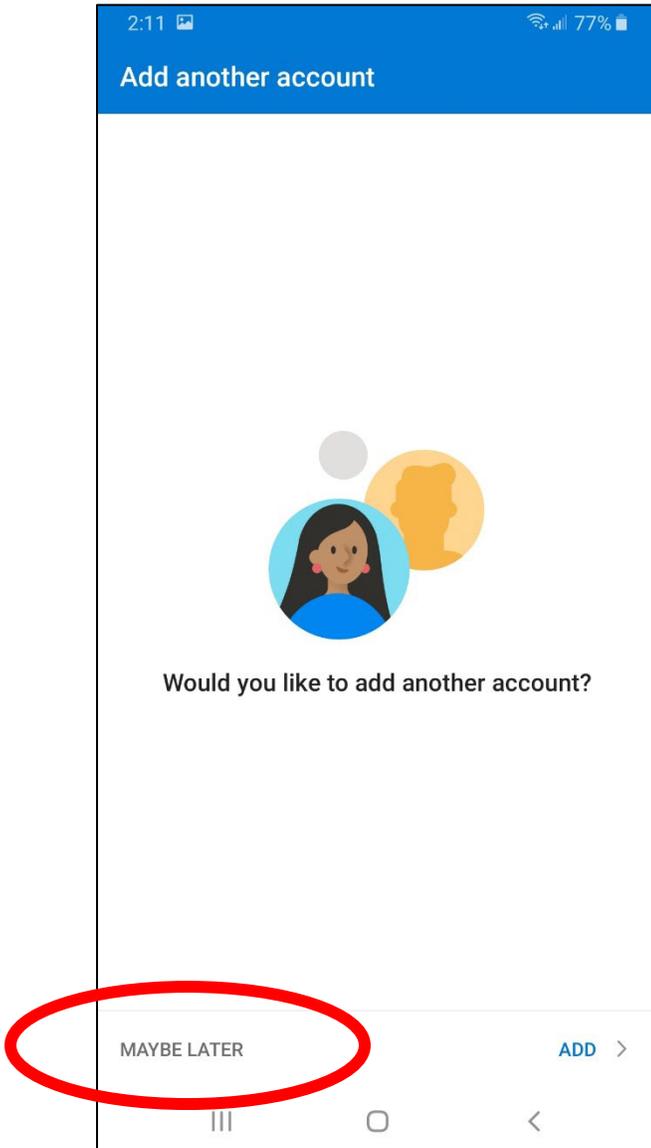

4. Enter the users **DSCC email address** (e.g. **username@dsc.edu**) and then choose **CONTINUE**.

5. Enter **your DSCC password** (the same password used for MyDSCC and eLearn) and press **Sign in**.

6. At the add another account page choose **MAYBE LATER**.

7. Choose turn on to enable notifications

8. Choose **Allow** notifications
